February 2020

Birthdays!

Rachel 2/3

Harmony 2/15

Reading:

During our core curriculum, we are beginning to learn about 2 syllables. We are mainly learning about closed syllables where there are CVC/CVC in each part (picnic) of the word. We finished up our Sun, Moon, and Stars unit by writing poems and taking an assessment. We are moving on to Module 3 which is learning about bird body parts. What makes a bird a bird?

Quick Reminders!

The 100th Day of School is 2/11. We need volunteers to help with T-Shirts and to send snack items in. Please email me or DOJO me if you are interested!

Math:

We are learning so much in math! We compared items after measuring them, ordered items from shortest to tallest, and compared numbers. We are now working on comparison word problems and adding 3 numbers.

Important

Dates:

2/4: Leadership Showcase

2/11: 100th day of school

2/14: Valentine's Day

2/17: No School, holiday
