

# Mrs. Knight's News

January 2020

## Birthdays!

Destiny 1/19

Aiden C. 1/22

## Reading:

During our core curriculum, we are beginning to learn about triple initial clusters of "l" and "sl" such as "spl" and "spr." We will also learn about final clusters such as "-lt," "-ft," "-nk" and "-nd." We are continuing to learn about fair and not-fair sight words. In Module, we are focusing on writing about the Sun, Moon, and Stars.

## Quick Reminders!

Please label your child's belongings and remind them to bring their coats. We continue to have outdoor recess.

## Math:

We are beginning our new unit on measurement. We will be measuring items in the classroom with different units of measure such as paper clips, cubes, and erasers.

## **Important**

### **Dates:**

**1/20:** MLK, no school

**1/29:** Teacher work day, no school

## **Retention**

We start having conversations with parents about retention after the Q2 report card. Q2 report cards go out 2/7.
